

Duff Companies Donation Request Policy

Our companies are dedicated to helping our community by supporting local schools and organizations. We make every effort to accommodate requests, but in order for your organization to be considered you must pick up and fill out a donation request form in person.

The donation request forms are located in the front office at:

Ohio Ready Mix
9016 St Rt 117
Huntsville, OH 43324

Please fill out a form within 2-4 weeks ahead of when the donation is needed.

The donation request form must be filled out completely in order for your request to be considered. Once the form is filled out they are given to the charitable giving committee. The committee meets bi-weekly and is responsible for overseeing the company's charitable giving efforts.

Thank you for considering Duff Companies as a contributor. We wish you the best of luck with your charitable and fundraising efforts.
